

**COMING ALONGSIDE YOUR FAMILY** 

## MAY – JULY

## **SPRING IS HERE!**

We've had a great winter with scaremare, Christmas and SquareUp 2017. We have a lot of mission trips and camps coming up and don't forget about Impact on Wednesdays through the entire summer. We have many interns and surprises for this summer.

As parents, you're a huge part of our student ministry success. Thank you for your support as we teach our students to love God, love others, and make disciples. Impact Student Ministries is ready to reach our generation and change the world!

Be sure and check our our upcoming events and camps, below.
